SENSIBILIZATION AND MOBILIZATION CAMPAIGN AGAINST CHILD DOMESTIC WORK IN HAITI

Priority phase 2016-2018

NUMBERS:

- More than 400 000 children from 5 to 17 years old are concerned
- About 51% (207 000) work in unacceptable conditions
- 24% would also work at night
- Over 44% of the children in some localities of Port au Prince are in domestic work situation

3 OBJECTIVES:

- 1- Supporting the implementation of the existing legal framework related to child trafficking and child labour
- 2- Promoting a multi-sectorial coordination of governmental social protection programs
- 3- Increasing public spending for the most vulnerable children and their families

LAWS:

There are laws and international conventions to regulate child labour, that Haiti signed:

- Child Rights Convention
- Convention 182 about the Worst Forms of Child Labour
- Convention 138 about Minimum Age of Admission to Employment
- Protocol for the fight against trafficking in persons and migrant smuggling

Together, we can act for this children by setting-up efficient response at different levels.
Let's all be actors!

OUR ACTIONS AND OUR OBJECTIVES:

- ✓ Disseminate laws on child labor and support the implementation of the legal framework
- ✓ Strengthen referral systems at the community level
- ✓ Awareness and training of actors
- ✓ Promoting the importance of social service for most disadvantaged children and their families
- ✓ Advocating the need for increased public spending for children

TOGETHER WE CAN REACH EVERY LAST CHILD SO THAT NONE OF THEM REMAINS FORGOTTEN
